KATHORUS OUTDOOR ADVENTURE CLUB

proudly South African - made in Ekurhuleni

COMPANY PROFILE

ABOUT US:

Our company was established in 2016 by Mr. Thabo Motholo. What was once a tiny business built on limited funds and 10 bicycles to host hiking and cycling excursions grew, until in 2019, that is when we realised that we have established a gap in the industry and a need in the local community in relation to Travel and Tourism and have been able to fill that gap until now in 2023. He is also the current chairperson of a Local Tourism Association (LTA) called Kathorus Kgotso Tourism (KKT) that covers the Kathorus Sub-Region within the South Side of Ekurhuleni and has been holding the portfolio since 2019 till current.

THE BUSINESS:

KATHORUS OUTDOOR ADVENTURE CLUB (KOAC) is providing individual and group travel to both leisure & Adventure clients. Services and products provided by KOAC include pre-arranged tours, custom packages according to client's specifications, travel consultation, and making reservations for lodging, backpacking, caravanning and camping amongst other related services. KATHORUS OUTDOOR ADVENTURE CLUB has differentiated itself by providing "Kasi Tours" in which it exposes the local treasures such as Ke-Ditselane Cultural Village, Nyoni Park, Bird Centuary, Suikerbosrand Nature Reserve, Reitvlei, and our historical excursions such a Palmietfontein, Thokoza Monument, Khumalo Street, Local Hostels and Easy-By-Night just to mention a few. The company incorporates local economic development in its township packages by means of inviting township SMME'S to showcase their work and talents to tourists who visit us in the greater Southern Ekurhuleni region and surroundings across.
