Mission: meeting the needs of corporate, incentive travel and ground handling management

About Us

Dinare Tourism has been providing full spectrum of business and leisure travel services, incentive travel and ground handling management, trading under the flagship of Tsheola Dinare for over a decade.

The company seeks to take clients on a tourism journey where experiences are customised to the expectation of a client and beyond. This will be achieved through the intentional quality of service.

Our expertise are on management, logistics and design of incentive travel; activities, ground handling and tours.

We have our footprint in South Africa, presence in Eswatini and Windhoek. Our branches are Cape Town and Durban.

To provide exceptional end to end quality services to all our clients.
