Tshuku Transport & Tours Company Profile

Greetings from Tshuku Transport and Tours,

We would like to offer our travel and transport expertise to your business. When working with our team you will receive peace of mind as we go well and above the extra mile to ensure our clients are safe, and travel in comfort and safety.

We observe all COVID-19 protocols and our vehicles are thoroughly cleaned and sanitized after each journey.

About Us

Tshuku was started by a young keen traveler - Mpho Mache from Bekkersdal on Gauteng's West Rand. We are a registered National Tour operator with offices in Johannesburg and Pretoria. Offering one stop shop travel services across South Africa and the SADC region. With 11 years of extensive experience in packaging transport, tourism and transfer solutions for corporates and individuals Tshuku Tours holds a strong and proud reputation in the Tourism Industry.

As Tshuku Transport we have experience from more than 10 000 trips ranging from Airport Transfers, full transport solution for corporates, individuals, conferences, medical checkups, holidays and tours packages, both nationally and in neighboring countries such as Eswatini, Lesotho, Botswana and Mozambique.

Our services include:

- Airport shuttles for corporate, individuals, and groups
- Travel and Educational tours for learners and the elderly
- Point to point transfers around South Africa
- Full transport solutions for Conferences (sedan to luxury buses with snack packs)
- Transport of Road Accident Fund claimants throughout the claim process (doctor's appointments & court) on behalf of their legal companies.
- Shuttles for staff transport around the clock
- Accommodation bookings through our vast tourism networks affording you lower rates
- Guided tours with experienced guides who are area specialists throughout South Africa
- Providing customized itineraries to our clients ensuring that their experiences are unique
- Book domestic flights and provide car hire services

Warm Regards,

Mpho Mache
