2. RATIONALE

2.1 The Gauteng Tourism Act (No. 10 of 2001), Section 3 provides for the establishment of the Gauteng Tourism Authority (GTA). Section 4 of the same Act provides for powers and duties of the Authority. The Act aims to provide for the promotion and sustainable development of tourism in Gauteng. The Authority derived its legislative mandate from the Gauteng Tourism Act, as amended by Act No. 3 of 2006. The rationale for revising this Act is to reflect the specific marketing role of the GTA, which was a newly adopted mandate, to include other developments, such as the implications of the National Tourism Act, No. 3 of 2014.

2.2 GTA is an implementing agency of the Gauteng Department of Economic Development (GDED). GDED approves the mandate and provides clarity on the roles and responsibilities of GTA. The Authority operates within the parameters of certain regulations. The declaration of government policies is derived from the Constitution of the country. The Constitution of the Republic of South Africa (Act No. 108 of 1996) outlines the roles and responsibilities of national, provincial and local governments, providing the basis on which these are regulated in all spheres of activities. GTA was established in terms of the Gauteng Tourism Act, No. 18 of 1998. The Act aims to provide for the promotion and sustainable development of tourism in Gauteng. Thus, the Authority derived its legislative mandate from the Act above.

The project should be implemented in a wholistic approach which involve the assessment of the existing systems and processes to avoid duplication of efforts and lack of integrations of processes and systems.
