Savali Leather Originals is a genuine leather goods manufacturing company. The company was registered in 2007. We specialize in bespoke leather items ranging from Men's Wallets, ladies' purses, ladies' handbags, laptop bags, backpacks, men's and ladies belts, side/sling bags and sandals. Savali takes its design inspirations from the history and heritage of our beautiful continent of African.

We pay homage to our ancestral design ingenuity and express the fullness of their design ambition. Our works of art are intended for the modern man and woman, who strive to live in the now whilst holding dear the beautiful memory of the majesty of those who roamed these lands before us. .

Executive Summary

Industry Experience

Since we were registered, we have dedicated both time and effort to learn the art of leather handling and processing. Our dedication to customer service is the cornerstone of our industrial pursuit. We have since served many people from different walks of life. We can confidently say that over half a million products have made their way into the hands of our esteemed patrons, and we are still sewing.

Leather Products

At an individual level, we have served, royalty, doctors, teachers, taxi drivers and many house wives. At a corporate level, we have served companies like, Jaalwa, Sakhumnotho Group, Global Business Roundtable, Thoka Geoscience, Marula Escapes and few others.

OTHER SERVICES

Part of our value add is that we help our esteemed customers with furniture restoration services. We also offer advisory services on REAL/GENUINE leather identification, maintenance and aftercare.
