ACCESSORIES

## ABOUT US

We are a handmade accessory business that specializes in everything from unique, wearable items like earrings and bracelets to handcrafted bags, even some accessories with heritage themes. We cater to people of all ages and genders.

## VISION

To grow and succeed in my business and it reaches a stage where it is a major supplier of corporate gifts and supplies customers for events such as weddings and heritage celebrations. In addition to creating personalised gifts for customers.

## GOAL

Reaching the point where the business fully satisfies the needs of its customers, in guaranteeing that their orders are delivered exactly as they requested them (Personal orders).

*I have been in this business for two years and I am looking forward to greater growth and challenges. We improve and reach new heights as a result of challenges. - Siza (Owner)*
