- Keep your room locked.
- Never leave your luggage unattended unless it is locked away in your room.
- If someone knocks on your door, check who it is before opening the door.
- Make sure that luggage is only given to the bell staff and that a receipt is issued.

IN YOUR VEHICLE

THE ROAD TRIP & TRAVELING IN GAUTENG

- Plan your route in advance.
- Lock valuable items in the boot/trunk before your departure.
- If in doubt about the safety of an area, phone a police station for advice and help.
- Keep the doors always locked and keep the windows up.
- At night, park in safe areas such as petrol/ filling stations and or a Police Station.

- Never pick up strangers or hitchhikers.
- Make sure you have the number of the car rental company at hand in case you get stranded.
- Car jamming – make sure your vehicle is securely locked before moving away from it.
- Navigators: While navigators are very useful when visiting South Africa, use them cautiously. When picking up your rental vehicle, ask the car rental agency to advise you on the safest route to your destination. Here, local knowledge is power, enquire from the reception desk at your hotel to find out as much as you can about the best amenities around and the best times to visit them.
- Road safety: Most of all, ensure to stay on main roads or highways as much as possible. Try not to deviate into poorly lit, informally developed areas.
- When driving in mountainous areas, be sure to look out for flying stones or rocks or objects left on the road intending to stop motorists for criminal purposes.
- Only stop in an area where you feel safe such as a busy shopping centre, or petrol station and/or police station and not on the side of the road if possible.

ON THE STREET

BEING SAFE ON THE STREETS

- Avoid an ostentatious display of expensive jewellery, cameras, mobile phones and other valuables.
- Always keep your handbag with you, never unattended.

- Carry your wallet in an inside pocket – never in the rear pocket of your trousers.
- Credit card transactions must be processed in your presence.
- Do not carry large sums of cash on you.
- At night, stay away from dark, isolated areas and do not explore on your own.
