Company Background

KM In Services was established and registered in 2015 as PTY (LTD). KM In Services is a 100% black owned company and woman managed. The company is under a great leadership of Ms Keneiloe Modise. Keneiloe has a wealth of experience in project management and leadership. As the sole director of the company; she has accumulated outstanding business management skills from her involvement in a family business. These skills were harnessed from her involvement to acquire relevant skills which opted her to pursue studying in the business field and more emphasis on the tourism sector. doing various training with the interaction of Gauteng Tourism Authority and Ekurhuleni municipality such as Tour Guiding course having to graduate and been endorsed as well with the certificate.

- Digital Marketing & Management of Tourism
- Communication Intelligence
- Customer Services
- Entrepreneur Development Program
- Tour Operator
- Hospitality

Occupying a secretary position and a board member at a non-profit organisation Kathorus Kgotso Tourism is an NGO that was established after a group of local service providers converged at Thokoza Youth Centre in the month of February. This meeting was initiated after a successful tourism event that was hosted by Ekurhuleni Municipality and Gauteng Tourism Authority took place at Thokoza Youth Centre.

And acts as a chairperson at a cooperative company Natal Spruit Tourism & Trails which focusses on Skill development & employment – youth development through empowering of tour guides in every spot based on that particular space e.g. hostel/family units, freedom park, Easy by night club etc.

And researching about the rich history, Culture and heritage of Kathorus and documenting it as well, containing the 90's Violence/War that happened in Thokoza at

KhumaloStreet.

Conducted a tour guide services for a tourism group from Ekurhuleni (Officials) initiated by GAUTENG TOURISM AUTHORITY the whole programme was about to educate and unleashed hot spots, Heritage sites, and the Culture at EAST RAND. Keneiloe continues to serve at different community based and development structures. The Directors experience in Tourism serves as basis for the company's existence and vision.

The company has a diverse team at its operational level. The operational team is a fairly demographically balanced team with regard to gender and age. Our team consists of a professional admin staff and expert cleaners.

KM In Service has an excellent customer services values. We ensure that customers are guaranteed products and services beyond requirement. Our services are prompt and we ensure that we respond to orders in and within minimal time. We have a great turnaround time when it comes to clients' needs for service. We ensure that clients get good value for money and that satisfaction remains a guarantee.

Our target group includes private companies, government, municipalities, schools and privately-owned entities. We base our strategic engagements with clients on equitable contracts. A service we agree on remains a service we offer without failure. We provide services to the client's satisfaction. We have strong monitoring tools that ensure that we can track services and jobs provided both onsite and in our offices. Regular updates and reporting provide us with a tool to evaluate our performance based on data received.

Business activities

Our core business at KM In Services is to provide tours, hosting tourism workshops service and supplying of related material. Through our many years of engagement in tours projects and tourism workshop services the company has gained great expertise in this field. KM In Services has more than 15 years of combined expertise and experience in the tourism field. Other services that we provide include supplying of consumables in government entities and catering packages. We diversified our services for purpose of harnessing specific skills in these fields.

KM In Services provides tourism services in the area. The company is strategically position in an area that has lots of tourist visiting. Therefore, these services remain on demand in the Kathorus area. We have so far been able to provide services to large groups of local and international tourists. We remain key role player in coordinating route trips in Kathorus. The company has a strong advantage on local tourism services.
