OUR HISTORY

JMT Tours & Safaris (JMT Tours) was established in 1997 by Joe and Sophie Motsogi out of their home in Soweto with a primary focus on township tours. Joe's vision and passion for travel laid the foundation for the company's growth in service offerings and the number of satisfied travellers we serve annually.

Since then, we have grown consistently and have excelled in our work. We pride ourselves with our service excellence, ethical, reliable and knowledgeable service offerings. We continue to uphold the values Joe instilled in us: a passion for travel and South Africa.

JMT Tours was the first provincial winner of the Emerging Entrepreneur of The Year Award (ETEYA) in 2001.

In 2006, JMT Tours achieved a 1st runner-up position in the South African Tourism Welcome Awards, a testament to the enduring legacy Joe helped build.

JMT Tours has successfully provided tour and transfer services to high profile groups and personalities including the following;

SERVICES

CULTURE & HERITAGE TOURS

Many cities around the world are defined by their culture and heritage and South Africa's cities are no different. Our culture and heritage tours offer our clients insight into where South Africa has come from and that mixed with interactions with locals will give you a good idea on where the beautiful country is heading.

We conduct culture tours, urban and wild safari, city tours, transfers, shuttles and also contract tourist guides.

The tours include visiting some of the renowned museums such as the Apartheid Museum, Hector Peterson Memorial, Mandela House Museum, Lillie's Leaf, Cradle of Humankind, Freedom Park, Ditsong Museums of South Africa, Sammy Marks, Voortrekker Monument, Lesedi Cultural Village and a whole lot more. Sun City and Gold Reef City are also at the top of places for our clients to see during their stay in South Africa.

We are Soweto specialists as this is the birthplace of the company itself and its owners. We offer other tours primarily around Gauteng region and in the other eight provinces through our partnerships with contracted operators.

Our tours are conducted by registered tourist guides who are continuously upskilled to keep up to date with industry affairs. JMT employs foreign language (Mandarin, Gujarat, French and German) guides on a part-time basis.

SAFARIS

Africa is known to have some of the most incredible opportunities to see wildlife in close proximity without harm to the wildlife itself or its natural surrounds.

South Africa is renowned for the Big 5, which one can experience by visiting some of our national parks. The Kruger National Park which lies North Easterly of Johannesburg is one of the best experiences that one could have if you are keen on wildlife. Other parks include Pilanesburg Game Reserve, Lion Park, Elephant Sanctuary and Waterberg.

Apart from wildlife safari, our clients will be happy to know that our beautiful landscape and stunning weather offer an opportunity to do Hot Air Balloon Safaris at the crack of dawn - offering you a view from above of a town waking from its sleep and getting into action.

Horseback safaris are also a charm and allow you be one with nature and just to take it all in.

South Africa has an array of new world safaris such as food safaris and desert safaris in addition to other types of safaris and JMT Tours is ever ready to take you for these amazing experiences.

City and Nightlife:

Gauteng over the past few years has seen a growth in young people frequenting what were once deemed to be “dead” city centres. Urban regeneration projects have brought life to these cities and have given rise to a beautiful culture that has fashionistas, foodies, music enthusiasts and the young at heart getting together at the market-type set-ups across the cities.

Maboneng, The Sheds and Newtown are some of our clients’ favourites, especially on weekends.

If you like the glitz and glam, then we have just the right stuff for you. The likes of Rosebank and Sandton City have some fantastic shops for you to visit. Sandton City also boasts the Diamond Walk where you can spoil yourself with a selection of the world’s premium brands with in-season fashion and accessories.

The club scene is also worth checking out - try out Taboo or Icon. If you are into the West African dance scene, Sankayi is calling for you and your dancing shoes.

If you would rather have a mellow time though, then Winnie’s Jazz Club or The Orbit are firm favourites for jazz lovers.

We also have a number of theaters across the province with interesting productions that we are sure will leave you enthralled.

Email us or give us a call and we will prepare a comprehensive package for you.

Luxury Train Journeys

South African luxury train offerings are well renowned for their world class service and five-star dining and wining experiences.

JMT is pleased to propose to our clients a trip on the elegant Rovos Rail or Blue Train to take you through a journey of scenic and beautiful South African landscapes. The journeys last from 2 to 15 days depending on your choice of destination.

The Rest of South Africa:

South Africa is quite vast and although we specialise in Gauteng, we know that there are special places all over our country. We have been fortunate to explore those places and we are very keen to share those places with you through our partners and affiliates and partners in the different provinces.

Cape Town with its beauty and splendour is bound to impress with its incredible views and of course one of the Seven Natural Wonders of the world that is Table Mountain. There is the wine route to be explored - an indelible culinary experience from the different wine farms, or the hiking trail on Table Mountain itself or a view from the top in the cable car. If you'd rather be on the beach, there are some amazing great beaches to have fun on and eateries facing the Atlantic Ocean are a major plus if you would rather soak in the soothing sounds of the sea.

Sunny KwaZulu-Natal is home to Durban (South Africa's Playground) and it boasts stunning weather - all the reason you need to go and soak in the sun along one of its many beaches. Florida Road will have you feeling you have had a good night out on the town while Morningside with its quirky and cosmopolitan eateries will surely excite.

Try the Chairman for an amazing music experience or even lunch at the world renowned Oyster Box.

Email us or give us a call and we will prepare a comprehensive package for you together with our affiliates to make sure you have an unforgettable experience in South Africa.

TRANSFERS & CUSTOMIZED ITINERARIES

Our company provides transfers for groups and individual clients using our fleet of owned and leased buses which comply with the latest South African quality and safety standards.

We tailor make tours according to clients' needs.

We do special itineraries for schools and universities and also arrange school visits per request.

NEW OFFERINGS FOR SOUTH AFRICANS

In the past few years, JMT has successfully introduced outbound travel to a middle income sector that is previously untraveled. JMT has facilitated groups of no less than 20 pax to countries such as Namibia, Zanzibar, Mauritius, Turkey, Italy and most recently in 2016 Thailand. Our traveller numbers continue to grow in this sector that remains largely untapped.

MEETINGS, INCENTIVES, CONFERENCES AND EXHIBITIONS

Working closely with the tourism authority of South Africa, South African Tourism we are able to provide transport and help in arranging group tours and transfers for groups that visit South Africa for meetings, conferences, exhibitions and incentive trips.

JMT Tours has handled customised tours, shuttles and transfers for conferences, conventions and meetings.

We have been involved in COP17, Climate Change conference, TD Jakes, 2010 World Cup groups and others.

OUR PASSION YOUR PEACE OF MIND

JMT's around the clock availability, reliability and respect for our clients has seen us grow to be one of the best known names in the business. It is these same qualities that are appreciated by our clients and that make us best choice for your individual or group ground handling requirements *before, during and after* your stay.
