

Tshuku's Transport & Tours

Value Proposition

To establish and **sustain meaningful partnerships and relationships** with clients – as we consistently **provide focused** and authentically South African **service excellence**.

As a **focused and professional tour operator company in The Cradle of Humankind**, we pride ourselves in providing the best of services for our clients. Our organisational and business success remains a key priority. **Driven by passion, experience and a deep understanding of our operating space** – at Tshuku's Transport Services, we are guided by a need to consistently provide top-end, **impactful and memorable experiences**. We aim to meet and surpass all expectations when it comes to the provision of value adding service excellence to all our clients.

As a service provider, **we align to clients' Business Strategies** [Positioning, Reputation Management: Stakeholder and People Management] and consistently deliver unmatched and fit-for purpose **logistics, corporate entertainment and hospitality services** as informed by clients' business requirements. Clients arrive as strangers yet when they depart they are family as our aim is to ensure our visitors(local and international) have authentic experiences.. At Tshuku's Transport Services, **we understand the significance and implication of client hospitality investment in building and sustaining relationships** with targeted stakeholders (internally and externally). Thus we focus on a single and shared vision: our clients' continued success, at all times!

Experienced and resourced, our capacity and 'industry muscle' is further bolstered by **a sizable pool of strategic business partners**. As an active, fully registered and B-BBEE Compliant Company, Tshuku's Transport Services is active within the Transport, Logistics, Hospitality and the Tourism sectors and our business partners extend our service offerings to:

- **Guided Tours**
- **Hospitality Packages**
- **Corporate Conferences and logistics**
- **Team building and Event Management**
- **Transportation: Shuttle and VIP Shuttle Services**
- **Logistics: Project Management and Coordination**

In addition, Tshuku's Transport Services provides clients with the most sought after **events and hospitality programs that deliver a memorable and impactful experience**. Although Gauteng-based, our strategic business partners further enable and arm us with a national and international reach.
