

LOTO & LEE'S

SURREAL EXPERIENCES.

Lebo Mmakola is a well versed Business woman who understands a handful when it comes to the game of helping companies, with Purchasing Decisions and processes. She plays in all the various stages involved in bringing Merchandise to shelves for Consumers to Purchase.

On this tour she brings us a ground breaking experience that fuses Office work and street culture, in the heart of a world class city.

CHANCELLOR HOUSE

Start Point

This is a Shopping tour that Blends Joburg History, office work and street culture in one. the tour starts off at Chancellor House Nelson Mandelas old Law firm; the district is further more surrounded by rich Naratives that pay close tribute to Walter Sisulu, Mahatma Ghandi, and the Oldest china town in Joburg.

It is a hop on and hop off tour including both walking and driven tour, Just like in other cities; New york and london believe walking a city helps one to understand its Dynamics and ways of Functionality, Historically,Presently, and a good sense of the future.

Joburg employed more than 8000 city Patrollers on Ground root Level which ties into the rest of the cities Safety system Network; Private security,all the way to our Government Security System. This makes it possible for such an Excursion to exist with free flow, a free flow that is always guarded by safety presence almost every 100 metres wherever you go.

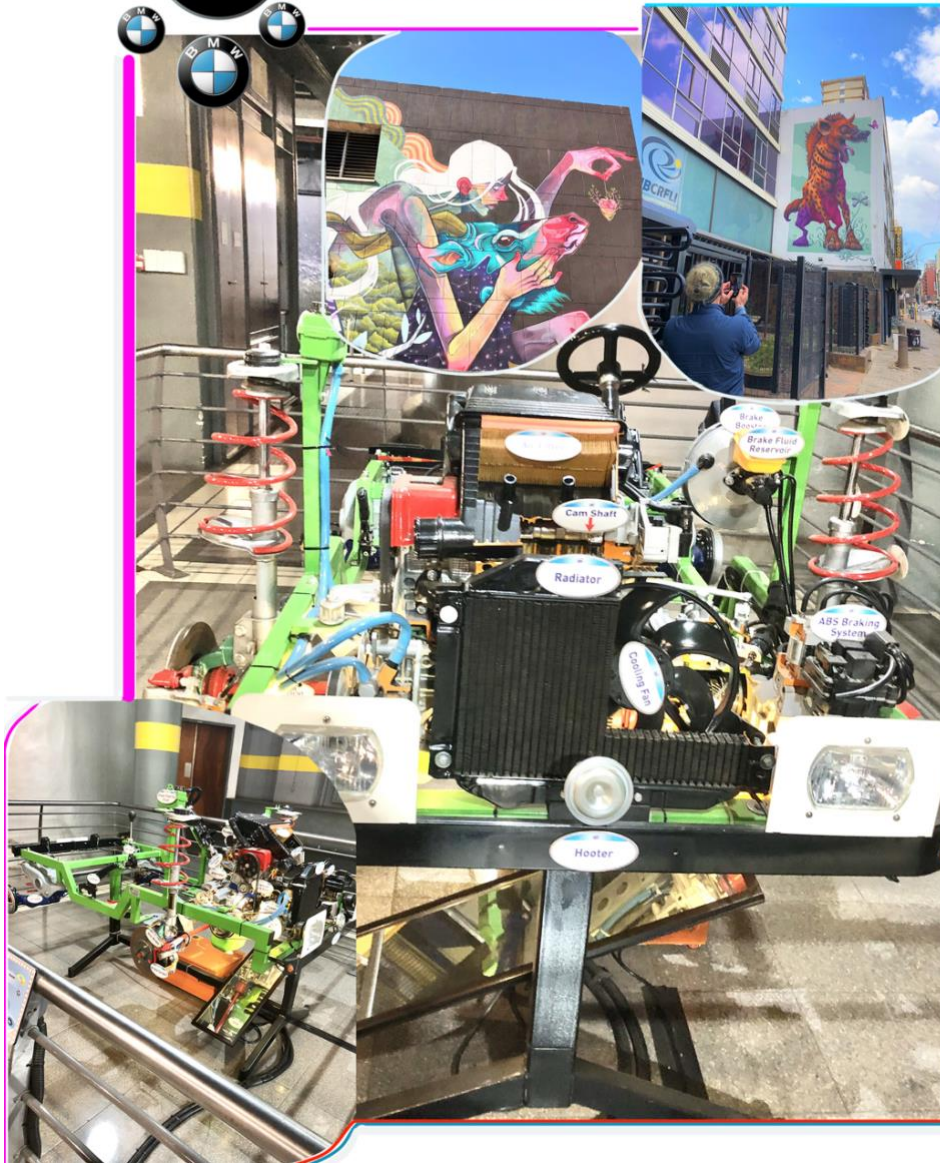

Feel the multi layered Cultures of Joburg, and subcultures explode with Positive vibes and freedom like never before.

we dive deep into underground fabric stores that have been past down from generation to Generation; this is where guests get to learn about different african fabric and their cultural usage. each textile represents a country, its people and way of living traders in the area have been around since the 1900's through the family tree of business. asian people and african people have been trading since the 900's and before that, both cultures share a deep herbal background; in this district guests get to understand different herbal knowledge and see south african cultures and african cultures actively co-existing through different trades of knowledge and lifestyle. Our guests Purchase their favorite fabric; so that our private Tailor designs a Jacket or Shirt for them.

IS A WORK of ART

guests get a chance to visit a science centre which has a section for cars; the exhibition show cases detailed engineering of a car its mechanics and functionalities.

The car is Broken down into parts and pieces, each piece has a board of information giving you the knowledge of its usage; it is also an interactive exhibition where guests get to hold wind and and unwind the reactive piece of the car.

The centre gives good knowledge about the history of the car and how far its progressed; by having a Mordern BMW vehicle that is half stripped guests are allowed to go inside and have a feel of the BMW and its innovative design.

our guide will also break down a wholesome passionate history about BMW; to make you understand the make of this genius and give you a feel of being in a BMW plant, thats how well the execution will be delivered.

after the intense science lecture guests will have a break by going into different art galleries; to get a different flow of the tour and perfect time to understand that BMW is ART.

BOYS OF SOWETO

LOTO & LEE
SURREAL EXPERIENCES.

Boys of Soweto is a well known Brand that started from the Bujwa era, a Golden era that fused a particular township contemporary dance style, street wear and an absolute creative look; that every individual who was part of the culture self created to differ from the next person.

BOBO NDIMA one of the brand owners and stylists was once on GQ Magazine for best dressed male; his very Passionate about his brand and other fields of art as a versatile talented persona.

This part of the tour guests get to meet him personally and engage in dialogues, that touch on key areas of the fashion industry and the Boys of Soweto Brand; the idea is to have Boys of Soweto design a specially made Jacket that include pieces of fabric that clients bought at the underground fabric store, fused with Boys of Sowetos way of designing; the final product has all 3 brands Embroidered on Jacket with the BMW logo on it.

This is the only Jacket with a BMW logo that clients can get only if they attend this experience; it is a life time souvenir that international guests will take home after the excursion, a life time memory one can pass down generations to come.

M DRIFT (Level 2)

Take your drifting skills to the highest form of control by mastering your ability with the introduction to drifting in dry conditions. You will be required to be proficient at Drift Level 1. This course will host a short theory on the various slip angle dynamics and begin practicing drifting in the dry with the ultimate exercise of doing a drift run with multiple change of directions.

Pre-requisite: Drift Level 1 and you must have completed it with proficiency to do The Figure 8 exercise comfortably. Drift Level 2 required advanced driver ability and therefore requires that you are comfortable with Level 1 before attempting level 2 otherwise you will be asked to not continue if you are not able to do the basic exercises from Drift Level 1. We strongly recommend doing Drift Level 1 at least twice before advancing.
