

HandmadebyTebogo is a thriving small business dedicated to designing and crafting high-quality crocheted products. Established in June 2021 by Tebogo Legote, a passionate crochet artist, the company has since gained a reputation for its unique and charming creations. With a commitment to craftsmanship, creativity, and customer satisfaction, HandmadebyTebogo has become a go-to destination for individuals/companies seeking handmade and personalised crocheted products.

Our mission at HandmadebyTebogo is to spread joy and warmth through our beautifully crafted crocheted products. We strive to create unique, timeless pieces while maintaining the highest standards of quality products that comes at a reasonable price.

Product Range: We offer an extensive range of crocheted products, carefully crafted to suit various tastes, and needs. Our product offerings include:

1. Fashion Accessories: Neckpieces.
2. Home Decor: Baskets/ planters, Wine holders, stationery holders/makeup holders, trays and throws and wall hanging to infuse warmth and character into living spaces.
3. Baby Essentials: Adorable baby blankets perfect for welcoming little ones into the world.
4. Handbags and Totes bags: Stylish and functional bags, totes, and purses, providing practicality and fashion in one.

Customization: At HandmadebyTebogo, we understand the value of personalization. Customers have the option to request custom-made products tailored to their preferences. Whether it's specific colours, patterns, or sizes, we take pride in bringing our customers' visions to life.

Sustainability: We are committed to eco-friendly practices by using responsibly sourced recycled material like T-shirt yarn and sustainable yarn while reducing waste through efficient production techniques.
